ALT CLOUD MEETUP · NYC · OCT 14

Who says yes to an AI cloud?

Before a GPU-hour sells or an agent connects, someone has to grant permission.

THE LENDER'S YES · ONE SCALE

Big backlogs, few signatures

One customer (Anthropic) Everything else

Lambda backlog, reported

CoreWeave, latest quarter

CoreWeave's backlog is **~38×** its latest quarter of revenue. Lenders lend against the contracts, not the chips.

WEDNESDAY'S OPEN QUESTION

Which yes binds first?

The town's, to build?
The key's, to connect?
